CITY BRIEFS

Fine Suspended—A \$50 fine as-
sessed against Delbert Darnell of
Marion on a disorderly conduct
charge was suspended yesterday
by Municipal Judge William H.
Martin when Darnell settled for a
pair of glasses which were broken
when he allegedly struck Mrs.
Florence Partipilo of Nunda court.
Darnell also settled for a doc-
tor bill for injuries allegedly suffered
by Mrs. Partipilo.

Sister Dies—Mrs. John L. Rice
of 28 Jefferson avenue, Columbus,
a sister-in-law of Mrs. E. L. Brady
of Vernon Heights boulevard and
Mrs. Minnie R. Rayl of South Main
street, died early this morning of
a complication of diseases. Mrs.
Rice had a number of friends in
Marion. The funeral probably will
be conducted Saturday afternoon.

Lodge Meets—Plans for the win-
ter program were discussed at a
stated meeting of Sojourners Lodge
No. 653, F. and A. M. last night
in the Masonic temple. The annual
election of officers will take place
at the next meeting Nov. 15.

Tire Stolen—L. K. Warner of
East Center street told police yes-
terday a tire had been stolen from
an automobile which had been
parked in the city lot.

Theft Reported—Theft of a
radiator cap from a sedan parked
on West Center street was report-
ed to police this morning by B. D.
Beitz of 137 South High street.

Bicycle Stolen—A report of a
bicycle being stolen was made to
police early this morning by Hugh
Worline of 260 Olney avenue.

Moore Services—The funeral of
Charles A. Moore of 520 East
Church street whose death occurred
Tuesday noon, was conducted to-
day at 10 a. m. at the Schaffner-
Queen funeral home on East Cen-
ter street. Rev. Howard L. Ol-
willer of the First Presbyterian
church officiated. Burial was made
in the Marion cemetery.

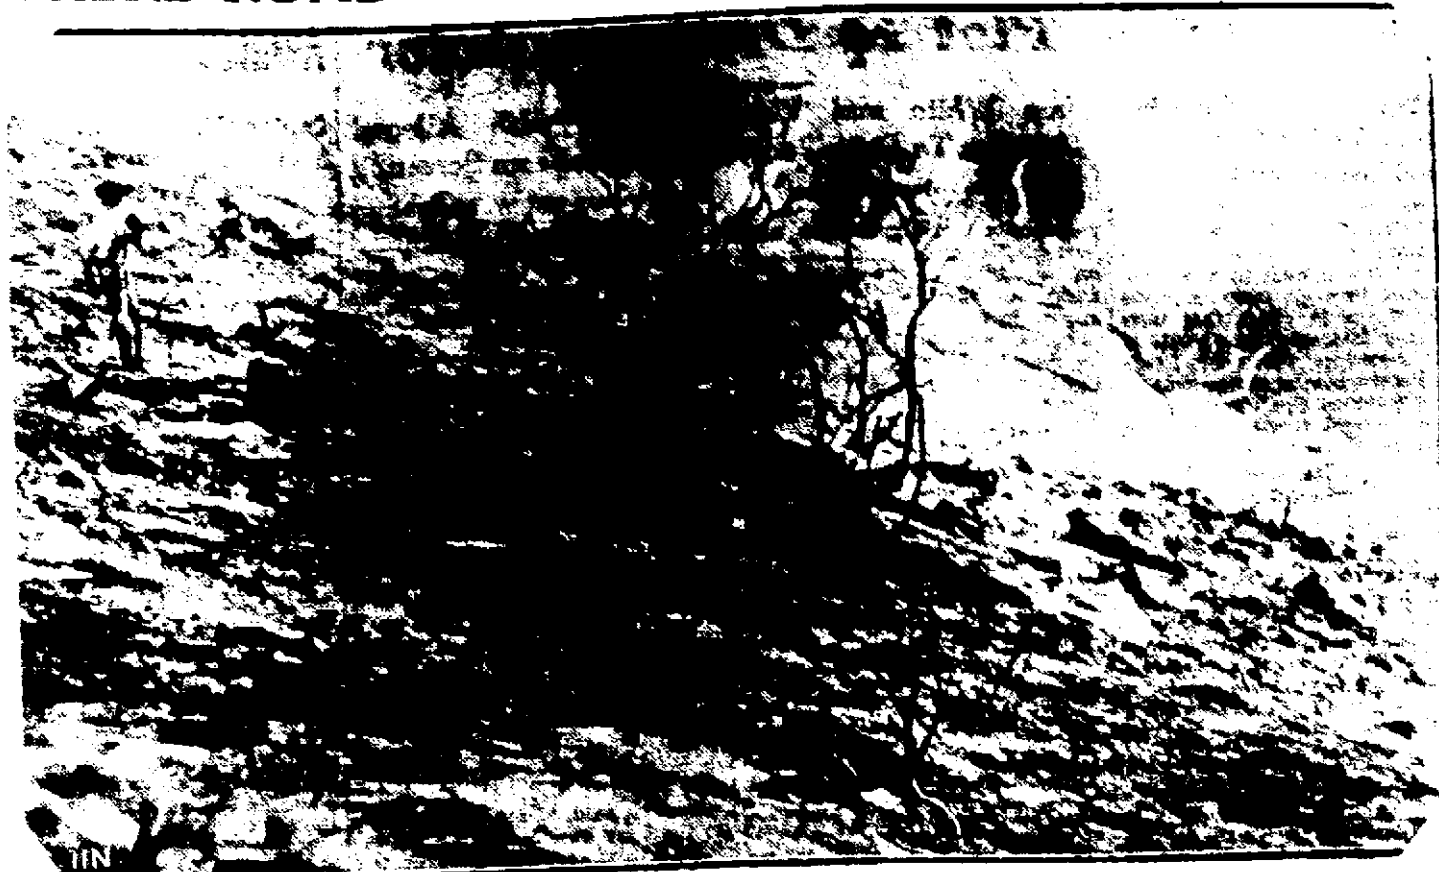

Services Here—Following funeral
services today at 1 p. m. at the
home of W. C. Tucker of 515
North Prospect street, the body of
his mother, Mrs. Iva N. Tucker
was sent to Stanford, Ky., for
funeral services and burial. Mrs.
Tucker died Wednesday after an
extended illness. Rev. James O.
Dodd of Central Christian church
was in charge of the service.

Johnson Funeral—Rev. Lawrence
A. Wood of Trinity Baptist church
officiated at the funeral of Ber-
nald R. Johnston of Geneva, O.,
today at 2:30 p. m. at the C. E. Cur-
tis Co. mortuary on East Center
street. Mr. Johnston died suddenly
Sunday. Burial was made in the
Marion cemetery.

left this morning at 6:30 for Chi-
cago where they will attend the
World's fair. Mrs. McKibben, driver
of the car, expects to arrive in
Chicago by night.

Members of the party, some of
whom likely left behind promises
to fond grandchildren of "gifts
from the World's Fair," providing
a clear record of good behavior was
given upon their return, plan to
see "everything there is to see"
before returning home.
They are expected home Sunday.

WHERE ROAD WORKERS PERISHED IN BRUSH FIRE

This graphic photograph depicts a tragic scene in Griffith park, Los Angeles, as some of the bodies of the approximately 30 victims who perished in the brushwood fire that trapped them in a blind canyon lay strewn about after the roaring furnace had been brought under control. The victims were road workers who became panic stricken when the blaze broke out and overtook the fleeing men. (International News photo).

EAGLES TO ATTEND MANSFIELD MEETING

Marion Officers and Repre-
sentatives Will Go To
District Session.

Officers and representatives of
Euclyde Aerie No. 857, F. O. E.,
will attend a district meeting Sun-
day, Oct. 15 at Mansfield. It was
announced last night at the regular
meeting of the lodge. Plans were
made for initiation of a class of
candidates at the next meeting in
one week. At this time James L.
Kirby, chairman of the old age pen-
sion committee of the lodge, will
announce his plans for a campaign
in Marion county in favor of the
measure before the November
election.

Those who plan to attend the
district meeting at Mansfield are:
Frank B. Murray, worthy pres-
ident, Mr. Kirby, chairman of the
old age pension committee, John
Eichelberger, membership chair-
man, V. V. Bush and George J.
Lehner, trustees, A. H. Franklin,

vice president and John A. Abel,
secretary. Cities and towns in the
district are Marion, Mt. Gilead, Mt.
Vernon, Shelby, Galion, Crestline,
Bucyrus, Johnstown, Delaware, Co-
lumbus, and Mansfield.
A smoker and social followed
the session.

MRS. A. A. STARNER RETURNS TO MARION

Mrs. A. A. Starner of South Main
street returned yesterday from St.
Louis, Mo., where she spent the
summer with her daughter, Miss
Mary Starner, a member of the
Shubert Repertory company.

The company, which played
throughout the summer at the St.
Louis municipal opera open air
theater, left this week for Dallas,
Tex., where it will open a three-
weeks run, presenting "Gitter-
Sweet," "Nina Rosa" and "Flora-

dora Girl."

Miss Starner, who has been with
the company for two seasons, pre-
sents several dance numbers and
plays the ingenue roles in the three
productions.

About Nov. 1 the company will
go to Chicago for an indefinite
season.

3 AWAIT DECISION ON LIQUOR CHARGES

MT. GILEAD, Oct. 5. Decision
in the case of P. W. Sipe, Mrs.
Hazel Sipe and Mrs. Edith Rich-
ie was held up by Judge P. H. Wieland
after their trial in the common
pleas court here Wednesday on
charges of selling and possessing
intoxicating liquor.

Walter Drexler, attorney for Mr.
and Mrs. Sipe asked the court to

dismiss the charges on the grounds
that the defendants had been
denied a jury trial to which they
were entitled under a new law
passed by the legislature since the
penalty exceeded \$50, the maxi-
mum over which a trial by jury
may not be denied under the new
statute which went into effect only
recently. Judge Wieland had made
no decision Wednesday night.

Mrs. Ida Gilbert of Franklin
township pleaded guilty to a charge
of selling intoxicating liquor and
was fined \$100 and costs. The fine
was suspended and she was placed
on probation for a year.

No decision was made in the case
of Mrs. Richie, whose husband,
Pearl Richie, pleaded guilty Sat-
urday to a charge of possession and
was fined \$200 and remanded to
the county jail. Earl Winslow of
Marion was also fined \$200 on his
plea of guilty to a charge of selling
at the fair here last week and is
now held in the county jail.

Power Plant.

Special to The Star
KENTON, Oct. 5. Plans to con-
struct a municipal power plant in
Kenton advanced a step Wednesday
as A. C. Johnston, the city's repre-
sentative on the power plant proj-
ect, and Mayor George H. Lingert
left to meet with officials of the
United States Public Works admin-
istration in Washington, D. C. The
two will present the city's side of a
request for a government loan
with which to construct the plant
and repay the loan from plant
earnings.

A loan of \$442,000 and a grant
of \$112,300 is sought to build the
plant, install equipment and con-
struct a distribution system. Work
will be started as soon as the re-
quest is granted. Attorneys Paul E.
Mahan and Arthur Tudor, counsel
of the city, said.

Petition for the loan and grant
now is being considered by the Ohio
board of Public Works administra-
tion and following its recommenda-
tion will be sent to Washington for
action of the federal board.

WHYSALL SPEAKS TO MARION RADIO CLUB

Discusses New Government
Regulations for Amateur
Stations.

Members of the Marion Amateur
Radio club met last night in the
armory to discuss new federal regu-
lations governing amateur station
holders. Charles Whyall, president
of the club, gave a talk on "Tower
Supplies" as required under the
regulations.

The federal rulings, which will
necessitate changes in the amateur
stations, were effective Oct. 1, club
members said. The operators are
asked to make changes so as to get
the best possible signals from direct
electric current. This step, mem-
bers said, will help avoid inter-
ference with private home radios.

The club will next meet Oct. 18
at the home of Frank Pump on
Miami street and will inspect his
amateur station. Ten members at-
tended last night.

THEATERS"WORLD GONE MAD"
ON SCREEN AT OHIO
FOR THREE-DAY RUN

The topsy-turvy conditions of the last few years provided a story from which "The World Gone Mad" has been made. The Ohio will screen the picture today, Friday and Saturday.

Pat O'Brien, who is second only to Lee Tracy in rapid-fire word slinging and who caught the public fancy in his role of Hilly Johnson in "The Front Page," heads a cast of superior players.

Evelyn Brent, a sterling actress who hasn't had a real break in pictures, Neil Hamilton, Mary Brian and Louis Calhern are co-featured with O'Brien. The picture cleverly analyzes the corrupt stock manipulations that dazzled the public and eventually threw the world into chaos. Of course there's romance to lighten up the story.

JACK HONIE
PICTURE AT STATE

Absent from the screen for some time, Jack Honie returns to the State Friday and Saturday in "Trouble Busters." This is the sixth and last of a series of pictures for which he is under contract. Kaye Edwards supplies the feminine charm. Honie rides his famous white horse, Dynamite, insured for \$100,000, a higher insurance the actor admits, than he carries on his own life.

A soil perforating tool operated by foot pressure has been invented to admit moisture to grass roots in lawns.

The Stars Say

For Friday, Oct. 6

A day of many opportunities did persons, happiness is the theme based on the stars and mutual aspects. The social prospects may be offered in connection with corporations, business, time secret societies or by means of private agreements or strategy. But small accidents and disappointments must be disposed of and funds should be wisely managed. Social phenomena, domestic affairs, travel.

These white birthday it is for under influences promising large opportunities in connection with corporations, travel, social circles or by means of diplomacy or private understandings. Large complex events. But small setbacks, impediments and financial perils also threaten. Personal afflictions flourish.

A child born on this day may be talented and versatile, possibly in ways of intrigue, strategy or diplomacy. It may lean toward the curious, singular moves or possibly the occult or mysterious, or to peculiar expressions in art. Notable nativity: Helen Willis Moody, tennis champion.

Everyone Enthuses Over The New
Tappan D-I-V-I-D-E-D TopAfter Seeing This GAS
Range in Action at The
Star Cooking School

Quite likely you are among the many who have been privileged to see the Tappan D-I-V-I-D-E-D top gas range in action as demonstrated by Mrs. Ruth Campbell at The Star Cooking School. Like others, you no doubt were captured by its efficient performance and its unusual beauty. Perhaps you are one of those who already have decided that your next range will be a Tappan.

The Task of Cooking
Becomes a Pleasure

There is no crowding of utensils on the Tappan D-I-V-I-D-E-D top gas range—no reaching over the flame to tend the cooking. And you'll like the handy service space between the burners.

The thermostatic control takes the guess work out of your oven and broiler cooking. Heavy insulation directs heat to the cooking and allows less to escape into the kitchen. The Tappan is an economical range to operate.

One of several attractive styles of Tappan ranges will suit your needs best, and will harmonize well with your other kitchen furnishings. With all of its many advantages, Tappan costs no more than any other well constructed range—and payments can be made easily with your gas bill.

The Finest Fuel

Gas gives instant heat. The little gas flame has the cooking job well under way before other fuels get started. Its cleanliness is excelled by no other fuel. It is the most adaptable to automatic regulation of any fuel used for cooking purposes. A constant and steady supply is always available—awaiting use in your range.

The Most Economical

Gas is the most economical fuel for cooking. It costs only one-quarter cent per person, per meal to cook with gas. From a survey among 1,000 families using different fuels for cooking, it was found that gas is worth \$2.50 per 1,000 cubic feet for this purpose—several times the amount you ever have been asked to pay. Gas is your greatest bargain. Ask Our Representative At The Cooking School About Tappan Ranges.

MARION COUNTY DRYS MAP VOTE PROGRAM

Continued from Page One.

terests of prohibition. Plans are to send three Marion county residents to the state dry convention in Columbus.

Details of this countywide campaign will be worked out by a committee headed by Rev. W. Marshall George, pastor of Wesley M. E. church and chairman of the Marion county organization of the United Dry forces.

"The basic problem is not the retention of the Eighteenth amendment, it is the problem of alcohol," Rev. McIntosh declared. In a direct discussion, Rev. McIntosh urged that the dry organization again take up a program of temperance education in the schools, the Sunday school classes and the churches, such as they carried out 15 and 20 years ago with real effect. If the program of education had been carried on after the passage of the Eighteenth amendment, "the retention of the Eighteenth amendment would have been securely sure," he said.

Methods Antiquated
He termed the present methods as "antiquated." One way to get

around the problem, he said, is to open the eyes of the people to the truth about alcohol. "We are going to take the people as they are, and we are going to take them as they are," he said. "We are going to take them as they are, and we are going to take them as they are."

The publication of the map was well received by the residents of the county. "You must find a point of interest," he went on, and the map upon this point, which the education program he carried in the newspapers, over the radio, and by advertising. He outlined the program which the Western people are carrying out in attacking a window display opposite that city's famous one and only beer garden, a display to be known as "Alcohol Window" where "salutary truths" will be brought before the citizens.

Rev. McIntosh strongly advocated the addition of youthful vitality to the W. U. T. U. "To change the temper and tone of an organization," he said, "you need new blood." The Western union has done this by adding 40 young matrons of its churches to its membership roster.

"If the people of Marion really mean business they can do things," he declared. He advised them to be low, be careful, move quietly, work unobtrusively, educate thoroughly and keep faith with the eternal truth.

Mr. McNaught's talk was chiefly concerned with instructions regarding voting at the coming election. Sample ballots were distributed, instructing those against repeal to vote "No" to the proposed amendment to the constitution of Ohio, which can save the law in Ohio "even though the Eighteenth amendment might be temporarily repealed," and to place their mark for the 52 candidates of the dry forces who will be delegates to the convention to ratify the proposed amendment. The candidates are headed on the ballot by Bishop H. Lester Smith of the Methodist Episcopal church and include John H. Clark, Marion attorney.

Urges Voting
He urged that every dry citizen make it his responsibility to place his ballot in the box on Nov. 7, say-

ing "If your interest, efforts and prayers do not lead to that end, you have failed in your duty." If we do not retain the plans of the W. U. T. U., we are going to take them as they are, and we are going to take them as they are. "We are going to take them as they are, and we are going to take them as they are."

KITCHEN PROBLEMS UP FOR SOLUTION

Continued from Page One.

take out of the kitchen, as they will not be used. Mrs. Campbell told the women:

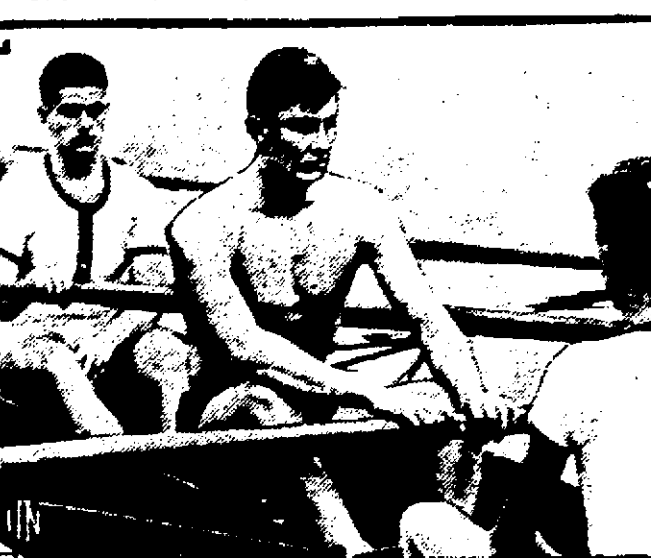

Jam cake, a simple and filling supper, and a pleasant butter, delicious, suggested pleasant butter cake. Shredded eggs, Mrs. Campbell told the women, during the question hour are made by shredding the eggs in hot water, before the boiling point, and then adding them to boil. Another recipe she stated, called for beating the yolk and white of the egg separately, putting them together and scrambling.

Cake Suggestions
Whipping the eggs by hand for an angel food cake was urged by Mrs. Campbell, rather than the use of a beater, and she suggested baking the shell for pumpkin or custard pie on the outside of the piepan rather than inside. To fortify the shell on the outside, and not the inside.

Another time-saving and practical suggestion made by Mrs. Campbell was to start everything with boiling water and by way of a suggestion told of baking string beans in a casserole. "Leave sufficient space for dumplings to come to the top of the kettle, don't peek at them and always put them in boiling water or gravy, and they will not fall," she told the women. The school will close Friday afternoon.

AIR TROPHY DONOR DIES FROM STROKE

By The Associated Press
CLEVELAND, O., Oct. 5.—The death of Charles E. Thompson, 63, president of Thompson Products, Inc., has caused a career based on the rear of horsepower motors and the swift flight of airplanes. He died here yesterday of a stroke. He was 63 years old. He was a member of the American and plane speed clubs of the National Aeronautics. In the automobile and aviation world he was known as the first president of the Glenn L. Martin Co., the first to introduce the use of steel in the manufacture of automotive valves, and a pioneer in the use of aluminum for this purpose.

Why—

Chesterfields are Milder

TOBACCO to grow, to ripen and become mellow, has to take in or absorb something . . . not Vitamin D, of course, but something that it gets from the right amount of Sunshine

It's the Southern sunshine you read about, combined with the right sort of climate and moisture, that makes the Carolinas, Georgia, Kentucky, Maryland, and Virginia the best tobacco country in the world.

You can stand down there in that Southern sunshine and almost see it grow.

This ripe, mellow tobacco is skillfully cured by the farmer. Then, for 30 months, it's aged—just like fine wine.

It takes the right quantity of each kind of these tobaccos, blended and cross-blended—then seasoned with Turkish, to make a milder cigarette. Sunshine helps. Just try it!

HERE ARE YESTERDAY'S COOKING SCHOOL RECIPES

Royal Chocolate Pie
Pie Crust.
One and one-half cups flour, one-half teaspoon baking powder, one-half teaspoon salt, one-half cup of shortening, cold water.
Cut dry ingredients and shortening together with a pastry blender. Add water and mix quickly. Roll thin on floured board and bake until delicate brown in oven at 425 degrees.
Chocolate Filling
One cup sugar, five tablespoons flour, one-half teaspoon salt, two cups milk, one and one-half squares chocolate, melted, one-half teaspoon vanilla, yolks of 3 eggs, using the whites for meringues.
Beat eggs well, add sugar and flour mixed; then milk. Cook in double boiler and when hot add melted chocolate and salt. Stir in vanilla just before taking from stove.
Royal Chocolate Pie
Meringue—Whites of 3 eggs, one and one-half teaspoons of baking powder, six tablespoons of sugar, one teaspoon vanilla.
Beat egg whites until they stand in points; add baking powder and then gradually the sugar and vanilla. Cut pie crusts in round disks the size of a plate. Bake at 425 degrees and cool slightly. Place one disk on inverted pie tin and cover with chocolate filling which has also been cooled. Add second layer of crust and cover with filling. Add third layer of crust and put remaining one-third of filling on it. Pie meringue on top and brown in oven at 325 degrees.
Pineapple Fritters
One cup flour, one teaspoon of baking powder, two tablespoons sugar, one-half teaspoon salt, one-half cup milk, one egg. Slice pineapple.
Mix and sift together flour, baking powder, sugar and salt. Add milk and well beaten egg. Dip pineapple in batter and fry in deep fat at 260 degrees until brown.

ONLY MIRACLE WILL SECOND VICTORY HEROES CHECK GIANTS' BID FOR SERIES VICTORY

Fighting Gotham Club Have Unbeatable Spirit and Great Pitching.

By The Associated Press. WASHINGTON, Oct. 5.—For years during the "big dream" with the American league taking five out of six successive World series engagements, National league men have been looking for a "fighting team," a pennant winner that would go into the championship fray with plenty of confidence and the pitching and hitting for rival slugging.

Pepper Martin and the Cardinals broke the spell in 1921 but last October it was another rout for the National league. From a source where they least expected the tide to be turned, New York's 1923 model of the Giants stood out today as the answer to long-suppressed hopes—a fighting team with unquenchable spirit and great pitching.

Fortunes may switch with the change of battleground but all the Giants have to do is to win two more games, out of a maximum of five left to be played. It would seem now that nothing short of a miracle can stop Bill Terry's club from completing the greatest upset of baseball since the Boston Braves dashed from last place to a clean sweep in the 1914 World series.

"Pitching," repeats Bill Terry, "will predominate and the Giants have the pitching."

If the Giants make it three straight today, with Freddy Fitzsimmons opposing Earl Whitehill, they hope their southpaw, Carl Hubbell, will be ready to try for a deciding victory tomorrow.

The Senators have been back on their heels for a number of reasons since the series started. Their own pitchers have fallen below expectations while the giant hurlers, Hubbell and Schumacher, have lived up to the greatest of advance notices. The American leaguers have failed to deliver anything like real hitting in the pinches, whereas the Giants have been tearing the cover off the ball with onslaughts that surprised even themselves.

Before the series began, Cronin remarked: "We respect O'Doul's hitting ability as much as that of any player on the Giants, not excepting Mel Ott."

The "man in the green suit," one of baseball's world travelers, justified Cronin's apprehension when he frustrated Al Crowder's abject pitching efforts.

EARL WHITEHILL LEFTY O'DOUL. Here are two good reasons why the New York Giants copped their second straight World series ball game yesterday and put themselves far out in front in their quest for the world's baseball championship. Earl Whitehill, a 22-year-old ex-collegian, duplicated Carl Hubbell's performance of the previous day in setting the Senators down with five hits. Schumacher had the enemy topping his "sinker" ball all afternoon and few indeed were the solid blows poled out by the losers. At the lower left is Frank (Lefty) O'Doul, former National league batting champion who touched off the big sixth inning explosion of the Giants when he slapped out a line single with the baselines jammed. The hit brought in two runs and proved to be the deciding blow. O'Doul had to have police aid to get to the clubhouse after making the hit, the happy New York crowd trying to get at him to congratulate him for his feat. Two in front and two to go for the Giants now.

COUNTY CAGE LOOP PILOTS TO MEET

The first meeting of managers of the Marion county Sunday school basketball league has been called for Friday, Oct. 6 at the Y. M. C. A. by Kenneth M. Whitman, an official of the league. The managers of all teams interested in competing in this league are

asked to be on hand for the meeting, which will start at 7 p. m. Ten teams made up the roster of the county circuit last year and at least that many are expected back for the coming season. Those entered last year are Green Camp, Prospect Reformed, Meeker, Kirkpatrick, Waldo, Prospect M. E., Morral, Caledonia, Pleasant Trinity Lutheran and Marcell.

Giants Again Display Hefty Punch at Plate

O'Doul's Pinch Single and Schumacher's Classy Twirling Keep New York Out in Front.

BY EDWARD J. NEILL. Associated Press Sports Writer. WASHINGTON, Oct. 5.—Battled and slightly shell-shocked, Joe Cronin and his Washington Senators today tackled a problem that in its baseball way was as desperate as any the capital legislators are accustomed to wrestling with in this fountain head of political perplexities.

Their big guns silenced, hitting power lost, strayed or stolen, pitchers battered and morale showing signs of decay, the American league champions took a deep breath of home air, a fresh grip on themselves and set out to do something desperate about these ever amazing Giants in the third game of the World series.

When Carl Hubbell, the master of the left handed screw ball, polished the Senators off in the opening of the annual conflict, Tuesday, allowing but five tiny hits, neither the Senators nor anyone else was genuinely surprised.

But when Hal Schumacher, the 22-year-old college boy handed them for the second time yesterday, cut their allowance to one run and then joined in a sixth inning outburst that brought all the Giants' runs in a 6 to 1 conquest, the situation became genuinely acute.

Almost Impossible. For one thing, never in the history of these post-season engagements has a team ever been able to come from behind in a seven game series to win the World championship after losing the first two contests. It was done once when the series had a nine-game limit.

In this distressing emergency, half the series out, Cronin called today upon Earl Whitehill, his best southpaw, for the first of three games in the Griffith stadium. His first southpaw choice, little Earl Whitehill, Wally Stewart, lasted less than three innings in the opening game.

"General," Alvin Crowder, the right hand wheelhorse of the Senators' staff whom most of the experts thought should have started the first game, took an even more ferocious beating yesterday.

In line with his policy of open air master-minding, Bill Terry named portly Fred Fitzsimmons, the knuckle ball veteran, as the Giants' pitcher.

On special trains the athletes, their followers, and the experts followed into the capital last night to find cloudiness and a threat of rain hanging over a populace so disappointed that some of the Washington payers may have wondered if they were going to be allowed to land. The American league champions rode home in bitter discouraged silence. The Giants were a boisterous, confident lot, shouting that they'd end the series certainly in four straight games.

Crowder "Blows" For five innings the 32-year-old

"General" held the National league titheholders to two bare singles in a tense duel with Schumacher. O'Doul's "Green" Goslin had flared back to his sensational home run hitting of the 1924 and 1925 series with a belt into the upper right field stands in the third for the only score up to the sixth.

The prolonged but fruitless struggle with Schumacher in the sixth, when he was in grave danger, might have had something to do with Crowder's downfall. It took 15 minutes for Goslin to get the second hit, a single to center, for Heinie Manush to walk, both move up on a wild pitch, Cronin to foul out, Goslin to get run down between third and home on Fred Schulte's grounder, Joe Kubel to walk and Ose Hinge to strike out despairingly, ending it all with the bases full.

Perhaps Crowder "blew out" in that interval. Anyway, when he started the sixth his speed ball and fast curve no longer ducked

across the plate so swiftly that the Giants, as in the early innings, swung late popped up, or grounded out.

Moore Starts It. Young Joe Moore, Terry's right fielder, banged the first pitch into right, but was forced at first base by Hughie

Critch attempted sacrifice. Terry doubled, Ott walked.

Then Terry chose to follow one of the most profitable hunches of his career. He sent Frank "Lefty" O'Doul, National league champion in 1932, up to hit for George Davis.

He singled past Crowder and into center field, after a foul tip that would have been his third strike if it had not bounced out of Luke Sewell's glove. After that even the Yankees could have done no better.

Travis Jackson hit, then Gus Mancuso, shovels of the Giants, transformed the excitement into hysteria with a perfect squeeze bunt that scored O'Doul and Ryan fanned, but Schumacher brought him safe to first himself.

Moore hit for the second time, Critch singled, but the thing did not end until Terry grounded into a force play. In all the Giants made eight hits in that one big inning.

Veeck, President of Cubs, Loses Battle for Life

By The Associated Press. CHICAGO, Oct. 5.—William Veeck, president of the Chicago Cubs, died at 9:45 a. m. today at St. Luke's hospital where he had been suffering from leucemia, an excess of white corpuscles in the blood.

The death of the veteran baseball official occurred shortly after his physician, Dr. Leo C. Groves, said his condition had taken a definite turn for the worse. Last night he was reported somewhat better after oxygen had been administered to assist him in breathing.

Sharp reportorial wit, backed by a keen sense of constructive criticism, lifted Veeck from the press box into the front office of the Chicago Cubs as president and one of the outstanding executives of the national pastime.

It was back in 1918 when the White Sox were the baseball idols of Chicago, and the Cubs were regarded as just another ball club despite a National league pennant during that war-torn year, that "Bill" Veeck got his chance. A baseball writer under the name of "Bill Bailey" for the Chicago American, he had written a series of articles criticizing the team and making suggestions for its improvement.

The late William Wrigley Jr., who had just purchased a controlling interest in the team, read the articles and called Veeck into his office.

"If you think you can do any better, then why don't you try it?" he asked.

"All right, I will," shot back the baseball writer.

It was Veeck who brought Joe McCarthy to the Cubs as manager and who fought for his retention and against the elevation of Rogers Hornsby from player to manager.

DARK HORSE GOPHER ELEVEN TO TACKLE INDIANA SATURDAY

Minnesota Displayed First Tilt; New Battle Aid Hoosiers.

By The Associated Press. CHICAGO, Oct. 5.—The team which was the dark horse of the race before Iowa upset Nebraska clashes Saturday with the Hoosiers in a game which will indicate the real power of the Gophers.

It is likely their pressing will not be furthered, however, inasmuch as the great deal more powerful South Dakota State the Hoosiers did in a 7-0 victory over Miami.

The Gopher situation overruled by Indiana's speed, which has been enhanced by the addition of Fuqua, big ton and winning champion, who was for service. Fuqua played see action at left halfback.

The Gophers big star will again be Fred Lutz, now leading the conference standing with three touchdowns.

It was once thought that Notre Dame's backfield, evidently not according to coming out of the line.

Notre Dame played with game Saturday at Camp with Kansas furnishing the lion.

MT. GILEAD TO PLAY JOHNSTOWN FRIDAY

MT. GILEAD, Oct. 5.—The high school eleven will meet Johnstown Friday at 8:30 p. m. in the first home game of the season. Several regulars may be injured because of injuries. Coach Bender said, Wolcott, who started all games at left tackle, out for the season with an injured shoulder.

Heidelberg and Northern To Resume Feud Saturday

holding the Bishops 7 to 1 the first two periods, and lost 25-7. Northern held Bluffton to a scoreless tie.

The last meeting of the Heidelberg and Northern eleven was in 1930, when the famous undefeated and untied Heidelberg team of that year rolled up a 45-0 score on the Ada team. The last time a Northern squad defeated a Student Prince machine was in 1926, when O. N. U. amassed 24 points while holding Heidelberg scoreless.

Heidelberg has a veteran team for its stiff schedule this year. Ten lettermen are available for line service, while five veterans can be called upon for backfield work. In addition to that, several new names are beginning to become known on the Turney team. Robert Seale, Bucyrus halfback and a sophomore played almost all the opening game and gave promise of valuable ability for the rest of the season.

Tony Rogala, fleet, lightweight quarterback, is probably the sensation of the Tricolor team. He resumed brilliantly his work of last year when he ran back a kickoff 85 yards for a touchdown against Wesleyan last Saturday. Ken Field, hard-hitting fullback from Cleveland, turned in a splendid day, and is already bidding for all-Ohio honors. Woodrow "Bozo" Lydie, famed center of the 1930 Little Big Seven champs of Tiffin High, is making his mark in college football. Gaining all-Ohio mention last year as a sophomore, he was the bone of the Wesleyan offensive, playing the entire game against three O. W. U. pivot men.

A large crowd of Tiffin fans is expected to follow the Heidelberg squad to Ada.

Heidelberg plays the University of Dayton Oct. 13 in a night game. The remaining schedule is Muskingum, Mt. Union, Toledo, Akron, Miami and Wooster.

Awarded at Commission
Dinner Today.

Approximately 60 softball players and fans are expected to be on hand at the Y tonight for the annual pennant banquet sponsored by the city softball commission. The members of the city's four pennant winning teams, the umpires and a few other officials will be guests of the commission. Other interested persons may attend the dinner at a cost of 50 cents each. The dinner will be served at 6 p. m.

Following the dinner, the pennants will be awarded the four pennant winners and medals given to the city championship Gasco club. The four flag winners are Gasco club of the Industrial league, Karpas of the Commercial league, First Presbyterians of the No. 1 Sunday school league and the Epworth League of the No. 2 Sunday school league.

W. N. Harder, an attorney and member of the city commission will serve as toastmaster of the affair.

WILLAMAN READY TO NAME FIRST LINEUP

Two Sophomores To Start in
Ohio Backfield Against
Virginia.

COLUMBUS, O., Oct. 5.—With a gala night ahead of him in the football clinic program and with prospects his injured stars were rapidly recovering, Coach Sam Willaman was about ready today to announce his starting lineup for the Buckeye-Virginia opener Saturday.

But he hastened to add, the line-up will remain "tentative" right up until game time, chiefly because of the uncertainty over three injured veteran linemen.

In the backfield, though, the Cavaliers will face a sophomore threat with Jack Smith and Dick Heekin fairly sure of posts. The injured men are Vuchnich, center, and Padlow and Gillman, ends. Trainer Tucker Smith has assured Willaman he'll have the boys in shape to play. Conrad and Rosequist at tackles and Gallus and Monahan at guards will be other starters. In the backfield will be found Cramer at quarter and Wetzel at full, in addition to the second year men.

Various types of play and illustrations of illegal maneuvers will be presented by his varsity charges, with coaches describing the procedure through an amplifying system.

Seeing is believing. You can tell from a look at these prices that they are low — many of them lower than they were last fall.

And here's the other big fact to know — they buy Goodyear Pathfinders — one of America's five largest-selling tires — with the safety of center traction and 30% more mileage — than they gave a year ago.

Think a moment. Winter's coming — with more danger of slipping — more hours of driving in the dark. Isn't it wise to buy now — have new Goodyears when you need safety most — and be sure of the low prices offered today?

77% SAFER — and that's not all!

New Goodyear All-Weathers stop your car 77% quicker than old, smooth-worn tires — and quicker than any other tire you can buy. If you want the most safety and quality, you want the world's first choice — the Goodyear All-Weather. **\$7.20**

500 Ohio Masons To Come Here for Lodge Ceremony

Marion Group To Pay Tribute to A. C. Queen and 50-Year Veteran.

Masonry will pay honor to A. C. Queen, grand master of Marion lodge, at a special meeting here Friday night in recognition of his service to the order.

Five hundred men, including grand lodge officers and many other Masonic dignitaries are expected to welcome Mr. Queen, who returned to Marion last night from Boston, where he spent the last thirty-three days of his life.

Part of the program here will be the presentation of a 50-year service medal to Daniel H. Kruse, of San Francisco, Cal., who became a member of Marion lodge in 1885. Mr. Kruse will be the first to get a 50-year service pin from this lodge.

Large delegations from Masonic lodges in central Ohio, including Humboldt, Adams, and others, are expected to attend. Mr. Queen, who was born in Richmond, Va., and lived in Marion, Ohio, was a member of the central lodge of the state who will be represented by grand officers coming.

Six grand lodge officers have accepted invitations to attend. They are: Shimon Nash, of Columbus, grand master; Sam H. Squire, of Elyria, deputy grand master; Carl W. Ellsworth, of Wooster, senior grand warden; Dr. Elmer R. Alt, of Dayton, junior grand warden; Rev. R. Lincoln Long, of Toledo.

GOODRICH LIFE-SAVER GOLDEN PLY SALES TRIPLE!

NATION SWAMPS DEALERS WITH DEMAND FOR NEW TIRE—3 TIMES SAFER FROM BLOW-OUTS

No Extra Cost for this amazing Goodrich invention

SOMETHING had to be done! Year after year, thousands and thousands of people were being killed or injured when blow-outs threw cars out of control. Every single day tragic accounts of blow-out accidents were appearing in the daily newspapers throughout the country.

"Give us a safer tire," car owners fairly pleaded. "We want blow-out protection," tire buyers insisted. Goodrich engineers went to work. In secret. For 14 months. Then came the big news. News of the amazing Life-Saver Golden Ply. News of a 3-times-safer tire that would save thousands of lives—that would stand up under terrific speeds.

Hundreds of thousands of motorists have flocked to this new kind of tire. In the last 12 weeks the sale of Goodrich Silvertowns has tripled over the same weeks of 1932. The Goodrich factory is working night

and day to keep up with the demand for this 3-times-safer tire.

When the speedometer reads 40, 50 and 60, mile after mile, the heat inside the tire becomes terrific—rubber and fabric begin to separate. A blister starts... And grows... Until BANG! A blow-out!

To protect you from blow-outs, every new Goodrich Safety Silvertown has the amazing Life-Saver Golden Ply. This invention resists heat—rubber and fabric don't separate. Thus blisters don't form inside the tire. The cause of blow-outs is eliminated before they start.

Isn't it better to be safe than to be sorry? Put a set of Goodrich Safety Silvertowns on your car now. They cost not a penny more than standard tires.

This insignia indicates that the Goodrich Company complies fully with the President's blanket code.

INVITES TRIAL

James B. Smiley dies.
KENTON, Oct. 3.—James B. Smiley, 66, native of Patterson and a graduate of Kenton high school, died in his home at Cleveland Tuesday of heart disease after a long illness. Friends here have learned he was principal of Lincoln high school in that city until July when ill health compelled him to resign.

Tools that enable work to be done with high tension wires carrying currents as powerful as 600,000 volts have been invented by a veteran California lineman.

The Same Care that you Use
in Your Own Kitchen,
Is Used In Selecting the
Fruits and Vegetables that
Go Into Bincos Canned
Goods -

We are mighty proud of the care given in selecting fruits and vegetables that go into Bincos canned goods. It is the same that you use in your own kitchen. Mrs. Housewife in the canning for your own food. We believe that we can justify the confidence of the thousands who always ask for Bincos, only in the way we prepare their preferred brand for the table. We realize that tin is not transparent. That the buyer has no chance to see contents of the can until it is opened at home. This very fact has helped us build Bincos' fine reputation because when Bincos has been selected, the contents have always stood the test.

You don't need to see the inside of a Bincos can to be sure of its quality. The care given in Bincos' preparation will always justify your selection.
